**Quote Total:**

*This is quote is based on threshold heights provided by the purchaser or the site visit evaluation. Any variations from this will result in a different layout and may require additional parts. The ramp is specifically designed for 1 on 12 pitch only. Any variation form that will be on the purchaser to adjust accordingly in the field. Anchor bolts are not provided by National Ramp. Any permits or city inspections are the purchaser's responsibility. If steps are required, they are in 7" increments. It is the purchaser's responsibility to bring the grade up to the bottom riser to meet grade and make code compliant. Prices are valid for up to 30 days of the date of the quote unless otherwise agreed upon.*
